2.4

Scoring Methodology

- Correct response will yield 1 (one) mark for each question.
- For any combination of more than one option, even if it contains the correct option, the said answer will be treated as incorrect and zero marks will be awarded for that question.**
- Not attempting the question will fetch zero mark.

2.5 Mode of answering in the examination

- a) Questions are to be answered on specially designed optical machine-readable response **(OMR)** sheet, which will be evaluated by Optical Mark Recognition method. Thus, it is very important to follow the correct method of marking.
- b) Candidates will indicate response to the questions by **darkening the appropriate circle completely with blue/black ink ball point pen.**
- c) Any other kind of marking e.g., filling the bubble incompletely, filling with pencil, cross mark, tick mark, dot mark, circular mark, over writing, scratching, erasing, white ink, marking outside the bubble etc. may lead to wrong/partial/ambiguous reading of the response. **WBJEEB will be, in no way, responsible for such eventuality and this may lead to cancellation of OMR sheet.**
- d) Response marking cannot be edited/changed/erased/modified.

2.6 Ranking Methodology and Merit Lists

- a) WBJEEB will prepare merit ranks based on the candidates' **score in the Common Entrance Test.** Individual candidates will be able to view and download his/her Rank Card, which will contain score and rank. **WBJEEB does not publish any rank/score list for public** to ensure confidentiality to each individual candidate.
- b) The rank shall be in the name and style of '**GMR**' (General Merit Rank).
- c) Ranking shall be done in the descending order of total marks scored. In case of ties, tie-breaking rules as given in Section 2.7 shall be applicable.
- d) Separate reserved category merit position will also be indicated for respective category of students e.g., SC Rank, ST Rank, OBC-A Rank, OBC-B Rank, EWS Rank, PWD Rank, etc., **as applicable.**
- e) **Sequencing order for counselling/allotment of seat/admission will be based on GMR only** (not on category ranks). Category ranks are for information only to candidates of respective category.
- f) **Category ranks** are generated based on the category information given by the candidates during online application, but documents are verified by the allotted Institutes during counselling/admission. Hence candidate's certificates/ documents/ proofs must be valid as on the date of verification. If during verification, any candidate's claim is found invalid at that time, his/her category rank will be cancelled, and the candidate will be considered thereafter in general category. **Category ranks of other candidates will not be revised.**

2.7 Tie-breaking Methodology in Merit Rank

1. Candidates with less incorrect responses will be placed higher position in the merit list.
2. If tie exists still thereafter, same will be broken by the date of birth (DOB) of the concerned candidates; the older candidate will be given preference over the younger one.
3. If tie still exists, the candidate who have applied earlier (as obtained from application no. with which the candidate had appeared in the examination) will be given the higher rank.
