I. Read the following passage carefully and answer the questions given below:

The stories of Panchatantra have been the most popular Moral Stories for generations. It is surprising that it originated thousands of years ago. Panchatantra is considered to be the best collection of stories in the world an ancient tales. It is believed that there was a king in South India. He had five sons who had not learned the ways of royal life and administration. Many tutors had failed to teach them. Then a Brahmin named Vishnu Sharman was brought to the king's notice. He presented himself in the king's court and took away his sons to teach them. He made them learn five books with tales. These books were – The Loss of Friends, The Winning of Friends, Crows and Owls, Loss of Advantage and III-considered Action. Though these five books he imparted to them the art of intelligent living. Thus the art of storytelling became a means of educating children as well as grown-ups.

Till date Panchatantra has travelled from its place of origin, India, throughout the world without losing its charm.

1. How many sons did the king have? What had they not learned?

---

---

2. Mention the names of any two books which the Brahmin had taught them.

---

---

3. What did the Brahmin teach them?

---

---

4. What did he try to teach through these books?

---

---

5. Give a suitable title for the passage.

---

**II. Read the given hints and write a paragraph. Give a suitable title.**

Cleanliness keeps one's body – mind clean – necessary for physical health – dirt – mother of diseases – Disease germs breed – grow – multiply in dirt – cleanliness necessary for self-respect – sign of noble souls – man of clean habits loves God – acquire clean habits from childhood – wearing of clean dress – adds one's personality – cleanliness of mind is important – dirt symbol of evil – cleanliness symbol of purity. One must be clean in mind and body.
