

Class : II

ENGLISH

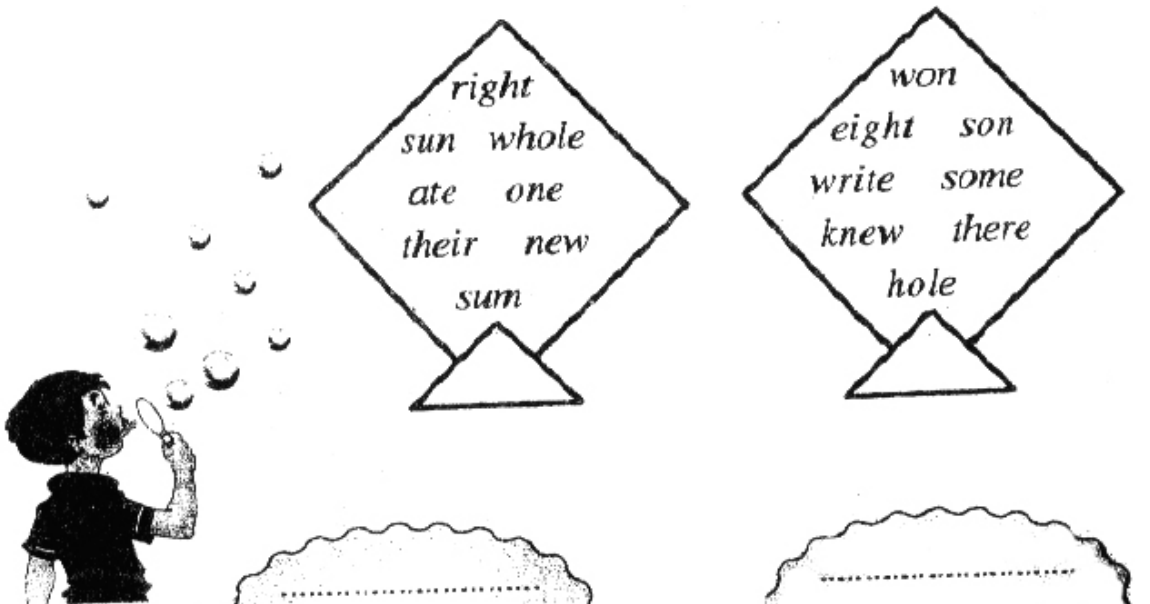

Competency: Grammar

L 12 : Curly Locks and the Three bears

Name:.....

Date:.....

Pick up the same sounding words from the kites and write in the bubbles :

The illustration shows a boy on the left looking up at a trail of bubbles. Above him are two diamond-shaped kites. The left kite contains the words: right, sun, whole, ate, one, their, new, sum. The right kite contains the words: won, eight, son, write, some, knew, there, hole. Below each kite is a column of four empty, cloud-like bubbles for writing.

| right<br>sun whole<br>ate one<br>their new<br>sum | won<br>eight son<br>write some<br>knew there<br>hole |
|---------------------------------------------------|------------------------------------------------------|
|                                                   |                                                      |
|                                                   |                                                      |
|                                                   |                                                      |
|                                                   |                                                      |

Circle the correct action words :

leaping/crawling

reading/writing

playing/studying

laughing/crying

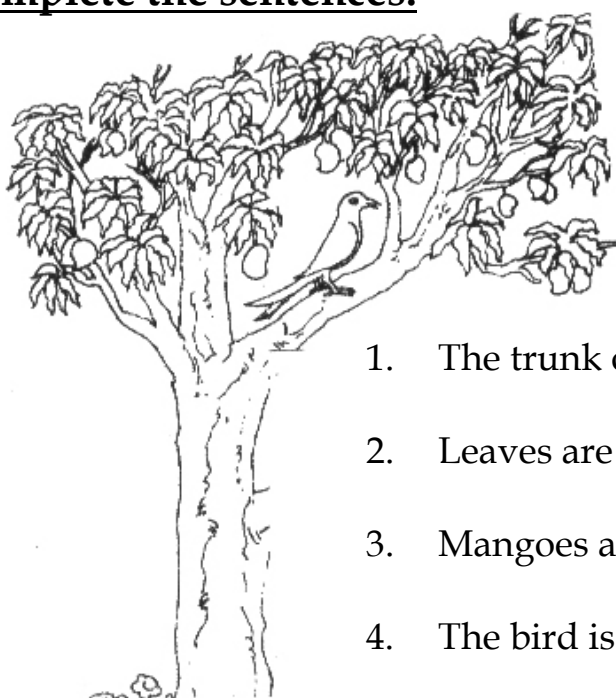

jumping/running

drawing/learning

Colour the picture. Write the names of colours you had used to complete the sentences.

1. The trunk of the tree is .....
2. Leaves are ..... in colour.
3. Mangoes are .....
4. The bird is .....
