What a delightful time I had on the river last Sunday evening !

Walking along the bank of the river, I enjoyed the dance of the ripples on the surface of the river, the fish darting to and fro and the birds chirping and cheeping in the trees. I also saw a herd of buffaloes swimming across the river.

But what delighted me the most was the sight of a small boy of about twelve years of age, sitting on the last buffalo like a king and singing a delightful song ! It charmed me beyond measure.
