The Clever Donkey and His Heavy Sack

<https://www.indcareer.com/schools/ncert-solutions-for-2nd-class-maths-chapter-3-how-much-can-you-carry/>

Sandesh has a  donkey. It carries  sacks full of salt on its back. On the way to the market, they have to cross a  river. One day, while crossing the  river, the  donkey slipped and fell into the  river.

When it got up, the  sacks felt very light.

#### Question 1.

**Guess why the  sacks felt lighter?**

#### Answer

Next day, while crossing the  river, the clever  donkey decided to take a dip.

This time Sandesh understood the  donkey's trick.

Next day, Sandesh put  sacks of woollen cloth in place of salt.

#### Question 2.

**Now, what would happen to the  donkey when it dipped into the river? Why?**

#### Answer

<https://www.indcareer.com/schools/ncert-solutions-for-2nd-class-maths-chapter-3-how-much-can-you-carry/>

The sacks of woollen cloth became heavy on absorbing water, so the donkey felt heavier.

# About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
