<https://www.indcareer.com/schools/ncert-solutions-for-4th-class-english-chapter-15-a-watering-rhyme/>

Flowers and plants are important for our life. They give us fresh air to breathe. Flowers add beauty to the nature. Plants give us fruits and medicines. They also give us valuable timber. They form clouds which fall on earth in the form of water. Hence, we must protect them. We should not pluck flowers. Neither should we cut trees. We should plant more and more trees in order to protect our own existence.
