### Comprehension Passage

Once a cunning jackal jumped into a big tub of blue dye.

“I am your king”, he said. All the animals, big and small believed him and bowed before him. The clever jackal smiled. Now he was the most powerful animal in the forest. He was proud to be a king.

Once, the jackal woke up in the middle of the night. The jackals in the forest were howling at the full moon in the sky. The blue jackal forgot he was a king. He, too, began to howl.

“Hu...aah! Hu...aah! he cried.

The animals ran out to see. “He is not a king. He is just a jackal!” they shouted.

They rushed to attack him.

“Stop, stop! I am sorry I tricked you. Please do not kill me!” said the blue jackal.

The animals forgave him, but only after giving the jackal a good beating.

– A Panchtantra tale

### Reading is Fun

1. Why did the animals think that the jackal was a king?
2. How did the jackal become blue?
3. What did the animals do when they saw the blue jackal?
4. Why did the dogs feel scared when they saw the jackal?
5. How did the animals know that the king was just a jackal?

Ans.

1. The animals thought that the jackal was a king because he dyed himself in blue colour.

<https://www.indcareer.com/schools/ncert-solutions-for-4th-class-englishchapter-20-pinocchio/>

2. The jackal jumped into a big tub of blue dye and became blue.
3. When the animals saw the blue jackal, they thought that he was their king and bowed before him.
4. The dogs felt scared when they saw the jackal because he (jackal) was looking fearful in blue colour.
5. Once the jackal got up in the middle of the night hearing other jackals' howl in the forests. He forget he was a king and began to howl loudly. All the animals ran out to see and found that it was the jackal who was howling. In this way they came to know that the king was just a jackal.

# About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](#) to learn more.
