2.What are the various ways in which people participate in the process of Government?**Solution 2:**

There are multiple ways.

1. By voting in the elections.
2. By taking out at rallies and protests, if they are unhappy
3. By participating in signature campaigns
4. By participating in discussions on Television and other modes of public platforms.

3.Why do you think we need the Government to find solutions to many disputes or conflicts?**Solution 3:**

Without the government, conflicts and disputes can result in violence and death. One group may believe that it has all the right to use force and prevent other groups from protesting. But in some cases, corrupt governments can themselves play a part in escalating these disputes and conflicts between people.

4.What actions does the Government take to ensure that all people are treated equally?**Solution 4:**

People are given reservations in the education field and in government jobs, on the basis of their caste. This is done to uplift their social status.

5.Read through the chapter and discuss some of the key ideas of a democratic government. Make a list. For example, all people are equal.**Solution 5:**

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
