Let's Discuss

3. Make a list of the chapters in which you find mention of metal working. What are the metals objects mentioned or shown in those chapters?

Answer

The list of the chapters is:

- In the earliest cities: Copper used to make tools, gold and silver to make ornaments.
- What Books and Burials Tell us: Iron tools and weapons, ornaments of gold.
- Kingdoms, Kings and Early Republic: Iron or mines.
- Vital villages and Thriving Towns: Iron tools.
- Traders, Kings and Pilgrims: Gold as a gift.
- Buildings, Paintings and Books: Iron pillar, gold jewellery.

4. Read the story on page 130 (NCERT book). In what ways is the monkey king similar to or different from the kings you read about in Chapters 6 and 11?

Answer

Similarities

- The monkey king as well as the kings felt the pulse of the public.
- The monkey king as well as others kings worked for the welfare of the people.

Dissimilarities

<https://www.indcareer.com/schools/ncert-solutions-for-6th-class-history-chapter-12-buildings-paintings-and-books/>

- The monkey king and his followers survived on the mango, while the other kings' followers required proper food.
- The monkey king did not try to capture the other kings' property, while the other kings did capture try to kill the monkey and their king for just a fruit.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi.
