NCERT Solutions for 6th Class History: Chapter 2-On the trail of the earliest people

NCERT 6th History Chapter 2, class 6 History Chapter 2 solutions

Page No: 20

Let's Recall

<https://www.indcareer.com/schools/ncert-solutions-for-6th-class-history-chapter-2-on-the-trail-of-the-earliest-people/>

1. Complete the sentences:

(a) Hunter-gatherers chose to live in caves and rock shelters because

_____.

► they provided shelter from rain, heat and wind

(b) Grasslands developed around _____ years ago.

(c) Early people painted on the _____ of caves.

► walls

(d) In Hunsgi, tools were made of _____.

► stones

2. Look at the present-day political map of the Indian subcontinent. Find out the states where Bhimbetka, Hunsgi and Kurnool are located.

Answer

Bhimbetka is in Madhya Pradesh, Hunsgi is in Karnataka and Kurnool is in Andhra Pradesh.

Let's Discuss

3. Why did the hunter-gatherers travel from place to place? In what ways are these similar to/different from the reasons for which we travel today?

Answer

Hunter-gatherers travelled from place-to-place:

- In search of plant and animal resources when had exhausted at one place.
- In search of smaller prey, or, in the case of deer and wild cattle, in search of grass and leaves. Therefore, those who hunted them had to follow their movements.
- Plants and trees bear fruit in different seasons. So, people may have moved from season to season in search of different kinds of plants.

<https://www.indcareer.com/schools/ncert-solutions-for-6th-class-history-chapter-2-on-the-trail-of-the-earliest-people/>

- People living on the banks of rivers and lakes which are seasonal would have had to go in search of water during the dry seasons.
- Also, People may have travelled on foot to meet their friends and relatives.

Today, we do not travel for water and food but in search of jobs to earn their livelihood. Also, we travel to interesting place, business and to meet friends and relatives.

4. What tools would you use today for cutting fruit? What would they be made of?

Answer

We use knife for cutting fruit. It would be made of stainless steel.

5. List three ways in which hunter-gatherers used fire (see page16). Would you use fire for any of these purposes today?

Answer

Hunt-gatherers used fire:

- To Cook food
- To scare away animals
- As a source of light

We would use fire to cook food.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
