Let's Discuss

4. What were the problems that Ashoka wanted to solve by introducing *dhamma*?

Answer

The problems that Ashoka wanted to solve by introducing *dhamma* were:

- Religious conflict
- Animal sacrifice
- Ill-treatment of slaves and servants
- Quarrels in families and amongst neighbours.

5. What were the means adopted by Ashoka to spread the message of *dhamma*?

Answer

The means that Ashoka adopted to spread the message of *dhamma* were:

- He appointed officials, known as the *dhamma mahamatta* who went from place to place teaching people about *dhamma*.
- He got his messages inscribed on rocks and pillars, instructing his officials to read his message to those who could not read it themselves.

<https://www.indcareer.com/schools/ncert-solutions-for-6th-class-history-chapter-8-ashoka-the-emperor-who-gave-up-the-war/>

- He also sent messengers to spread ideas about dhamma to other lands, such as Syria, Egypt, Greece and Sri Lanka.

6. Why do you think slaves and servants were ill-treated? Do you think the orders of the emperor would have improved their condition? Give reasons for your answer.

Answer

The slaves and servants were mostly prisoners of wars that is why they were ill-treated. Yes, I think the order of the emperor would have improved their condition as he was the head of the state. He can issue a law of punishment regarding this.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
