NCERT Solutions for 7th Class English (Poem): Chapter 6- Mystery of the Talking Fan

NCERT 7th English (Poem) Chapter 6, class 7 English (Poem) Chapter 6 solutions

Page No: 97

Working with the Poem

1. Fans don't talk, but it is possible to imagine that they do. What is it then, that sounds like the fan's chatter?

Answer

Yes, we can imagine that fans do talk as poet imagined in the poem but it is not the reality. The chattering sound made by the fan is actually the electrical fault in it because of friction due to not oiling.

Page No: 98

2. Complete the following sentences.

(i) The chatter is electrical because

(ii) It is mysterious because

Answer

(i) The chatter is electrical because it runs on electricity and fan don't talk or chatter.

(ii) It is mysterious because the sound produced by the fan seems to say something but the poet not able to understand it.

3. What do you think the talking fan was demanding?

Answer

The talking fan was demanding for oiling its little whirling motor.

4. How does an electric fan manage to throw so much air when it is switched on?

Answer

The electric fan manages to throw so much air when it is switched on as it gets huge amount of power from electricity to rotate its whirling motor as well as the metallic blade so fast.

5. Is there a ‘talking fan’ in your house? Create a dialogue between the fan and a mechanic.

Answer

Yes, i have a metallic fan in my house.

Mechanic: How are you doing?

Fan: Not well, Suffering from the heat and friction. Can you do something?

Mechanic: I will try to help you. Let me check you first.

Fan: Yes, sure. Please do your best and help me.

Mechanic: I will. Please wait, let me finish my job.

Fan: Go ahead.

(After repairing)

Mechanic: Now, all okay?

Fan: Yes, Now i am feeling well. It feels so good.

Mechanic: That is great. Remember me when you are in trouble.

Fan: Yes, i will. Thanks for helping me. Greetings to you.

Mechanic: You are welcome. Bye. Take care.

Fan: Bye. You too take care.

About NCERT

The National Council of Educational Research and Training is an autonomous organization of the Government of India which was established in 1961 as a literary, scientific, and charitable Society under the Societies Registration Act. The major objectives of NCERT and its constituent units are to: undertake, promote and coordinate research in areas related to school education; prepare and publish model textbooks, supplementary material, newsletters, journals and develop educational kits, multimedia digital materials, etc. Organise pre-service and in-service training of teachers; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education. In addition to research, development, training, extension, publication and dissemination activities, NCERT is an implementation agency for bilateral cultural exchange programmes with other countries in the field of school education. Its headquarters are located at Sri Aurobindo Marg in New Delhi. [Visit the Official NCERT website](https://www.ncert.nic.in/) to learn more.
